

Special Focus

Level 2 Award in Care Planning (3hrs)

Aim

To ensure that care planning by healthcare support workers and adult social care workers places the best interests of individuals at the centre of care, whilst enabling them to make and communicate their own decisions.

Learning Objectives

- Explain the use, contents and responsibilities within a care plan
- Describe the practical application of a care plan, giving examples
- Demonstrate their ability to communicate with the service user and other key people, both verbally and in the written form

Certification

Successful candidates will be issued with a certificate valid for 3 years.

Accreditation

External accreditation is available for this course, if required, through Advantage Accreditation. Additional costs will apply, please contact us.

Mapped To

A/500/4826.
