

Health and Social Care

Level 2 Core Award in Duty of Care (3hrs)

Aim

To ensure that healthcare support workers and adult social care workers understand their duty of care and how to fulfil it, with consideration for legislation, workplace policies and possible conflicts.

Learning Objectives

- Understand 'duty of care' in a health and social care context
- Recognise the groups for whom health and social care professionals have a duty of care
- Outline the key obligations to those for whom you have a duty of care
- Understand how legislation and workplace policies, protocols and guidelines help ensure that you fulfil your duty of care
- Describe possible conflicts between duty of care to a client and the demands of an employer
- Identify sources of help in resolving dilemmas relating to duty of care

Certification

Successful candidates will be issued with a certificate valid for 3 years.
