

# Special Focus

## Level 2 Specialist Award in Stoma Care Awareness (3hrs)

### Aim

To ensure that delegates working in the adult social care sector have an understanding of what a stoma is, why a person may have one and the potential side effects. The course will also outline the physical and emotional support which may be required by an individual who has a stoma.

### Learning Objectives

- Demonstrate a basic knowledge of the digestive system
- Identify and explain the different types of stoma and the reasons why they are fitted
- Understand and explain the dietary requirements for people with different types of stoma
- Recognise complications and abnormalities which may be experienced with a stoma

### Certification

Successful candidates will be issued with a certificate valid for 3 years.

### Accreditation

External accreditation is available for this course, if required, through Advantage Accreditation. Additional costs will apply, please contact us.
