

# First Aid

## Level 3 Award in Emergency Paediatric First Aid (6hrs/1day)

### Aim

To ensure that learners are trained in adult and paediatric first aid techniques, enabling them to recognise and treat those who are ill or injured.

### Learning Objectives

- Describe actions in an emergency situation
- Demonstrate adult and paediatric resuscitation
- Demonstrate the management of an unresponsive adult, infant and child
- Demonstrate the management of an adult, child or infant who is choking
- Explain the treatment for hypovolaemic shock
- Demonstrate the treatment of serious bleeding
- Explain the treatment for burns and scalds
- Explain the management of seizures in children, adults or infants

### Certification

Successful candidates will be issued with a certificate valid for 3 years.

### Accreditation

External accreditation is available for this course, if required, through Advantage Accreditation. Additional costs will apply, please contact us.
