

First Aid

Level 3 Award in Paediatric First Aid (12hrs/2days)

Aim

To introduce first aid to learners who have children and babies in their care and to enable them to recognise and respond to a paediatric emergency

Learning Objectives

- Describe the role and responsibilities of a paediatric first aider
- Demonstrate paediatric resuscitation
- Demonstrate the management of an unresponsive infant and child
- Explain the treatment for various types of shock
- Demonstrate the treatment of serious bleeding
- List chronic conditions associated with infants and children and their treatment
- Explain the management of other conditions that affect infants and children

Certification

Successful candidates will be issued with a certificate valid for 3 years.

Accreditation

External accreditation is available for this course, if required, through Advantage Accreditation. Additional costs will apply, please contact us.
